BAPTISM

We are happy to welcome into our Catholic faith community Amelia Lynn Ulrich who was baptized at Sacred Heart this past weekend. May the light of Christ always be her guide.

ANOINTING OF THE SICK

Our mission as Church is to do what Jesus did. And on nearly every page of the Gospels we read of Jesus' concern for the sick. Healing was essential to the mission of the disciples: He summoned the Twelve and began to send them out two by two...They anointed with oil many who were sick and cured them. (Mark 6:7-13) **We will celebrate a Communal Anointing of the Sick Mass here at Sacred Heart on Saturday, November 14 during the 5:00 Mass.**

PROPAGATION OF FAITH

Thank you for your generous response to last week's Propagation of the Faith (Mission) collection. The amount received was \$1286.25. This amount will be sent to the Mission office of the Diocese to help spread the faith among the missions and missionaries of the world.

RETURNING WARRIOR WORKSHOP-This weekend I am scheduled to participate in another RETURNING WARRIOR WORKSHOP in Baltimore, MD.

The Returning Warrior Workshops are provided by the Department of Defense to assist service men and women in their transition back to civilian life and their families and friends. Those who come to these Workshops are Reserve personnel who have served in Iraq or Afghanistan.

During these workshops we give service members and their spouses or family members information and sessions to help them reflect upon their experience of deployment and war...and returning home...to family, friends, employment and/or challenges of life.

Please continue to pray for our service men and women, their families...and those who continue to serve in Iraq and Afghanistan.

RESPECT LIFE

The month of October has been designated as RESPECT LIFE MONTH. Every month should be RESPECT LIFE month. Life is a GIFT given by God, the Creator. We, as human beings, share in the powers of this GIFT OF LIFE. We must take this Gift of life seriously and RESPECT all life-from conception to natural death. Sadly, our nation and world is challenged by LIFE. We have such a great gift, yet we have de-valued life. At times we have given MORE PROTECTION TO ANIMALS. There have been times when I have heard and read that people have become upset, have protested, and have sued the state or government on behalf of ANIMAL RIGHTS. Don't get me wrong, I love animals, but something is "out of kilter" when we become so vocal about the protection of animals, yet remain SILENT when it comes to Human Life. Certainly abortion is part of our fabric of society-a constitutional right guaranteed by our courts. Yet, what does this "right" say about us as human beings? Does anyone have a right when it comes to human life? Isn't human life sacred? Can we, as human beings, have the right to "end life" when we choose to do so? I know there are women who have had an abortion. This message is not to attack or shame them, but to walk the journey with them-to reach out and give compassion and understanding. It is important that we EMBRACE life. As Catholics the SACREDNESS OF LIFE has always been upheld. As we profess our faith we must uphold the IDEALS of life, even if these IDEALS challenge society. We are invited to be disciples, to be prophets, sent by God into our world. We must RESPECT LIFE, pray for life, support life. All life is holy, "Lord, God, teach us to respect life, to hold life as sacred, to assist those who have the power of life in their hands."

In Christ's Peace, Fr. Dennis
