**FROM THE PASTOR'S DESK**

Our mission as Church is to do what Jesus did. And on nearly every page of the Gospels we read of Jesus' concern for the sick. Healing was essential to the mission of the disciples: "He summoned the Twelve and began to send them out two by two...They anointed with oil many who were sick and cured them: (Mark 6: 7-13). After Jesus ascended into heaven, the Church continued to be a sacrament of healing: "Are any among you sick? They should call for the elders of the church and have them pray over them, anointing them with oil in the name of the Lord. The prayer of faith will save the sick, and the Lord will raise them up; and anyone who has committed sins will be forgiven: (James 5: 14-15).

The *Catechism of the Catholic Church* states that when the sick are anointed they should be "assisted by their pastor and the whole ecclesial community, which is invited to surround the sick in a special way through their prayers and fraternal attention: "Like all the sacraments, the Anointing of the Sick is a liturgical and communal celebration...It is very fitting to celebrate it within the Eucharist". A quote from Pastoral Care of the Sick, explains: "Suffering and illness have always been among the greatest problems that trouble the human spirit. Christians feel and experience pain as do all other people, yet their faith helps them to grasp more deeply the mystery of suffering and to bear their pain with greater courage. From Christ's words they know that sickness has meaning and value for their own salvation and the salvation of the world. They also know that Christ, who during his life often visited and healed the sick, loves them in their illness. In this sacrament we pray that the sick be healed in body, in soul, and in spirit. God alone knows what kind of healing the sick need most—that a wound be healed—that a fear turn to confidence—that loneliness be embraced by the support of a praying community—that confusion in the face of all the whys-why me, why suffering, why now—turn to insight.

**We will celebrate a Communal Anointing of the Sick Mass on Saturday, November 14 @ 5:00 pm.**

**PRAYER SHOWS DEPENDENCE ON GOD**

Whether our hands are weary or our knees are stiff, whether our knuckles are raw from knocking on the doors of heaven, the message is the same: *be persistent!* This persistence is twofold. First, we need to pray constantly, not to make God act, but rather as a sign of our complete dependence upon the divine will. Second, we must persist in fidelity to the gospel. There is no "time out" or vacation time; living the gospel is an unending mandate that allows no excuses.
